Finding Music at Cuyahoga County Public Library

Cuyahoga County Public Library
browsing is just the beginning

Finding Printed Music

One way of finding lyrics is to use our online catalog to search the library's collection of books containing lyrics and printed music to songs. These include the fake books.

You can do an **advanced search** in our catalog for the **title of the song**. Set the material type to **score** and you can also specify a **location** if you wish.

Cuyahoga County Public Library
browsing is just the beginning

Finding Recordings

You can also perform an **advanced search** for recordings. If you know the **title** of the CD, select **title** from the drop down menu beside the search box.

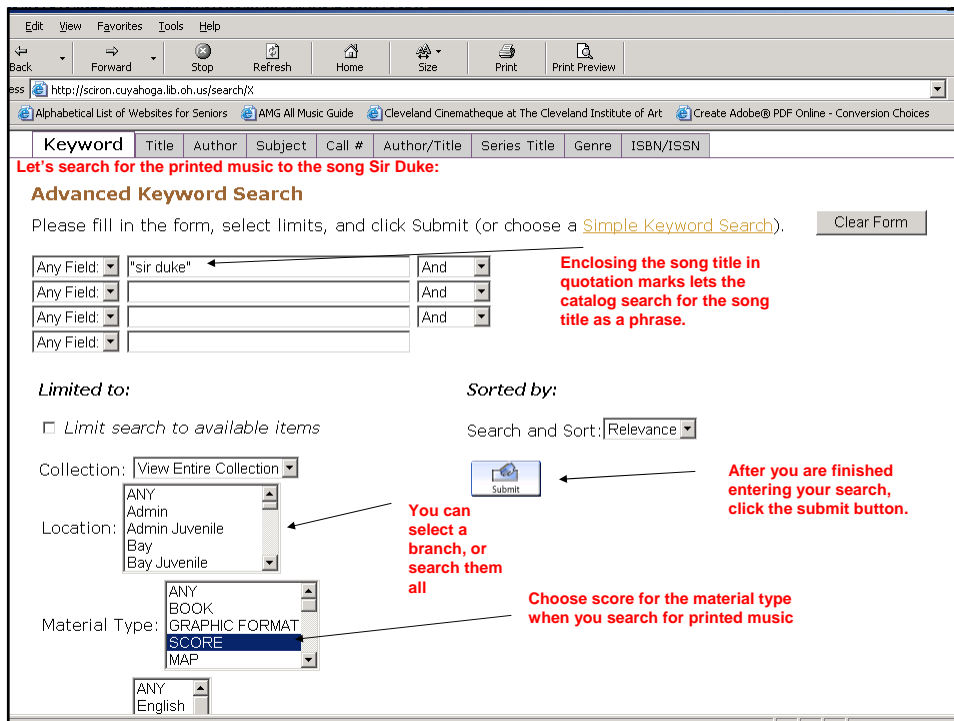

If you are looking for a **song** on the CD, set the drop down menu beside the search box to **any field**.

Set the material type to **CD Music**.

You can also specify a **location** if you wish.

Here are some sample searches for printed music and recordings. Directions are written in **red**.

The screenshot shows the Cuyahoga County Public Library website. At the top, there is a navigation bar with links for Branches, Events & Classes, Research, What to Read, YourSpace, About Us, and Support Us. Below this is a search bar with a dropdown menu set to 'Title Search' and a 'Search' button. A red arrow points to the search bar with the text 'From the library home page, click on search catalog'. The main content area features several promotional banners: 'Writers After Hours Speakers Announced', 'Kid Space' (It's TIME for TAILS! Summer Reading Program), 'The find engine' (Looking for info to help with that big research paper? Stop searching and start finding with the Find Engine!), and 'Teen Space'. There is also a 'How Do I?' help button and a 'Get a Library Card?' link.
