I am going to the library.

A social story about the visiting the Middleburg Heights Branch of Cuyahoga County Public Library.
I can also try to keep a calm body and remember to walk instead of run when I am at the library.
There might be other people reading or studying, so I will use my quiet voice.
There are many things to do at the library. I can look at books, magazines, DVDs and music CDs.
I can get on the computers!
If I have a question, I can ask one of the people working at the desk. Library staff are very helpful!
There are also toys in the children’s room for me to play with. I can share them with other kids who are at the library so we can have fun together.
Sometimes there is a program going on. I can go in and listen if I want.
There is a bathroom for me to use at the library if I have to go potty.
When I am ready, I can bring my items to the desk to check them out.
I use my library card.
Then I will be able to take them home and use them for a few weeks.
When I am done, I can bring them back so other kids can have a turn.
Going to the library is fun! I can’t wait to visit again.
